THE CITY'S DRIVE

Real Estate and Bustness Notes.

Frank Hynes, who has a contract with he city for driving two walls are contract with he city for driving two walls are contract with th the city for driving two wells, each 250 feet deep, with an 8-inch pipe, says he is meeting with fair success. He is now down seventy feet with one well, and has a allow of about one hundred gallons per min-u.e. He is at present meeting with some trouble, owinp to the immense amount of boulders which he has now struck. Mr. Hynes has an outfit of tools which weigh two tons, one auger alone weighing 300 pounds. The wells are being driven near the southeast corner of Liberty park, and he further says there can be enough water procured there to supply a large population of the liberty park.

Kelsey & Gillespie's \$350,000 Building.

"I am ready to put up a forfeit of \$500 that we will have a six or seven story building on our corner within one year and that the excavating will be commenced within thirty days, "said Mr. Kelsey, of Kelsey & Gillespie, "What will the building cost!" "The lot is 165xid5 and will cost \$350,000." "What did you pay for it!" "Sixty-five thousand dollars." As this property is worth from \$125,000 to \$150,000 it wasn't a bud investment. it wasn't a bad investment.

CONVICTED OF LARCENY.

The Unpleasant Position in Which Dr. Ed. Isancson Finds Himself.

The news that Dr. Ed. Isaacson, of American Fork, had been convicted of forceny, created quite a sensation in this city. Following is an account of the affair as given by the Engairer. It will no doubt be read with considerable surprise by many:
"Last Saturday American Fork was

represents—and brings in a great deal of outside capital for investment. The Fourth of July programme does not strike me as the right thing, as all the people who go to Orgien looking for investment will come here anyway, and if we get up a big blow out it will only confuse matters by having a big jam, and send everybody away swearing. If proper provision was made to care for those who will come I think the results would be better. Our time for ceicbrating will be at the opening of the Rio Grande Western. When the Gulf road came into Denver a year ago they advertised the event extensively, and from that time on Denver has prospered. I think that is the best scheme to work from now on. It will be the season of the year when our bathing is at its best and when they see the amount of building going on, they will change their minds in regard to Salt Lake. Take it in August, when all the buildings will be under way and the On-tarlo begins to show up, they can see what its going on. Gillespie makes a good secretary, and the work he is doing will be heard from. You will see good returns from the advertising that is being put out. People on the outside have good returns from the advertising that is being put out. People on the outside have good returns from the advertising that is being put out. People on the outside have good returns from the advertising that is being put out. People on the outside have good returns from the advertising that is being put out. WRECK ON THER.G.W

A Bad Smash-up In Spanish Fork Canyon.

SEVERAL MEN BADLY INJURED.

Festival-President Adams Coming -General Notes.

A serious collision occurred on the Rio Grande Western in Spanish Fork canon on Monday night. It seems that a light UNION PACIFIC SYSTEM, MOUNTAIN DIVengine was coming down the grade followed by a heavy freight train. The freight ran away and soon overtook the arst train and a smash-up ensued, in which both engines and several cars were wrecked. Engineers Dunton and McGard were both seriously injured and three of the crew were also badly used up. They were brought to this city and taken to St. Mary's hospital, where they received every attention. The loss to the company will be quite heavy. The wreck will all be cleared away by to-day and trains will be running as usual.

party of surveyors wont over to El Derado to commence the survey for the West Side Transit commany's railroad for that place, through Brighton and Garden City, to Sait Lake.

City, to Salt Lake.

The Union Pacific has issued the following instructions to agents on the mountain division: "The first of the season of grand musical festivals to be given in the Taberaucle, will be held in Salt Lake city, May 30th and 31st, and the semi-annual conference of the Young Men's association will be held at the same piace on June ist and 2nd. For these occasions the Union Pacific will make a rate of single fare for the round trip from all stations in Utah and from sations in Idaho as far north as McCammon, Tickets on sale on May 25th, 31st, and June 1st. Good for return until June 4th, 1890."
